Lyrical Basics:

Learn the base movements of lyrical dance. Lyrical is a dance style that combines elements of ballet, modern, and Jazz dance techniques. It is commonly set to popular music with vocals or just instrumental bars. The goal of a lyrical dancer is to use gesture, facial expression, and controlled movements in order to execute their movements and emotions fully. Besides emotional connection to music, lyrical dance typically encourages use of articulation, line, weight, and movement qualities. Technique will be highly stressed in this class and will progress as class levels increase. No previous training needed.

Intermediate Lyrical:

Combining the technique of both ballet and jazz. At least 2 years of dance training. This is a choreography based class with a quick warm up.
